For the first time ever, Infinity Ward's 2003 award-winning game that launched Activision's Call of Duty franchise has come to console. It's the first time a Call of Duty game has been ported to Xbox and PlayStation 5. The game is available on Xbox One, Xbox Series X/S, PlayStation 4, PlayStation 5, and PC. It's a great way to relive the glory days of Call of Duty, and it's a great way to introduce new players to the franchise.

Call of Duty: Modern Warfare 2 is a first-person shooter game developed by Infinity Ward and published by Activision. It is the second game in the Modern Warfare sub-series of the Call of Duty franchise. The game was released on October 25, 2009, for the Xbox 360, PlayStation 3, and PC. It is a sequel to Call of Duty: Modern Warfare (2007) and is set in the same universe as the first game. The game features a single-player campaign, a multiplayer mode, and a zombie mode. The single-player campaign follows the story of Captain Price and his team as they fight against the terrorist organization Al-Qatala. The multiplayer mode allows players to compete against each other in various game modes, including Team Deathmatch, Domination, and Search and Destroy. The zombie mode is a new feature in the game, where players fight against waves of zombies in a dark, atmospheric setting.

Call of Duty: Modern Warfare 2 is a highly acclaimed game that has sold over 20 million copies worldwide. It is considered one of the best Call of Duty games ever made. The game's multiplayer mode is particularly popular, and it has a large and active player base. The game's single-player campaign is also highly praised for its story and gameplay. Call of Duty: Modern Warfare 2 is a must-play for fans of the franchise and for anyone who enjoys first-person shooter games.
